

Bordeaux™ Series

The Bordeaux Series features a timeless stackstone design that allows the fireplace, the grill island, or the brick oven to become the focal point of your outdoor space.

Elements give you the ability to create an outdoor living space that's uniquely yours and to do so at your own pace – be it all at once, or in phases. Each of our distinct collections is comprised of multiple modular units, created to provide you with unlimited design options.

Features & Benefits:

- Prebuilt, modular fireplace packaged as two units
- The Lamina Stone™ product has a multi-length and layered appearance which provides rustic, stacked stone aesthetic appeal
- Cordova Stone™ manufactured lime stone accent pieces used for cap, hearth, arch and mantle
- No need for timely and costly on-site manufacturing
- Built in a controlled environment for a perfect unit every time
- Easy to Transport - Each unit piece has a two-way fork slot configuration for easy transportation
- Wood burning unit is standard
- Vent free gas unit available
